Only BOMA turns pennies into dollars.

BOMA advocates for YOU at the local, state, and federal levels… and represents YOUR interests before organizations developing industry codes and standards. End Result? Value in the form of actual dollars saved!

BOMA Dallas Grows the Value of Your CRE Assets

- Represents more than 200 million square feet out of 9.9 billion total office square feet in the US market.
- Represents more than 30,000 jobs in the commercial real estate industry.
- Dallas market has a total expenditure of more than 1.6 billion dollars.

“Impractical or redundant codes and regulations can add significant costs to renovating or operating existing buildings. BOMA is the only real estate organization representing our interests before code authorities by promoting common-sense, practical solutions that save Owners and Tenants substantial money. For my dues dollar, BOMA makes sense!”

Ray Mackey, RPA, BOMA Fellow
Chief Operating Officer, Peloton Commercial Real Estate
BOMA Dallas Former President, BOMA International Former Chair & CEO

$2.50 per square foot saved by BOMA International’s codes representation during the 2013 ICC development cycle.

$30,000 per building saved in annual fees and O&M costs during the 2013 ICC development cycle.

9% drop in average utility costs per the most recent EER—a savings of $0.21/sq. ft.—thanks to BOMA’s EER benchmarking data, which helps CRE professionals better manage assets.
