Team Rules and Regulations

The following are the Rules and Regulations governing tournament team participants:

A minimum of one (1) real estate member must be registered with team of four (4) golfers in order to be eligible to win the tournament.

All individual golfers are required to check in before they can participate in the tournament.

If a golfer is a “no show” and is unable to be replaced, players on the team may rotate to shoot for the missing player. If more than two (2) golfers do not show up for the tournament, the team is ineligible to win the tournament.

Participants who have not pre-paid their registration fees will be required to pay onsite. *The event payment policy became effective as of August 1, 2013. We can accept credit card or check.*

Per BOMA Dallas event policy, if a team or sponsorship is cancelled less than 24 hours in advance, the company is responsible for full payment.

General Rules of Play

The following are the Rules and Regulations governing tournament general rules of play:

Tournament format is a four-person scramble. All four team members tee off on each hole and then decide which tee shot they like best and mark the spot. The best shot is then selected and used. All four players can then play from the spot of the selected second shot and into the hole.

From selected shots, each player can place the ball within one club length, no closer to the hole. If the selected ball is in the rough, each player must play from the rough.

Golfers are to tee off from the assigned tee boxes set by the venue.

If a team has only three players, one player will play two shots, to take the place of the missing player. The three players must take turns hitting for the missing player, so over 18 holes, each of the three players must play for two players on a total of six holes.

Mark the selected ball on the putting green. Each player is to attempt the putt from the same spot. The first ball to go in is counted for the team score. If no player makes the putt, mark the best remaining putt and all team members are to putt from there.

If the ball that the team selects is in a hazard (bunker or water), or in the rough, or out of bounds, player cannot drop the ball outside the hazard or rough, even if relief is within one club length away. If the ball selected is in a sand bunker, everyone must hit from the sand bunker within one club length. You can rake the bunker after each shot. If the ball selected was in the water, drop out under USGA Rules procedures and add a penalty stroke for each player hitting from the drop. A ball hit out of bounds is usually not selected, but if it is, the players all must re-hit from where the ball was hit before it went out of bounds, and each player must add a “stroke and distance penalty” (2 strokes).

The maximum team score on any hole will be pre-determined by the venue. Teams that reach the maximum score (assigned by the venue) on a hole are to pick-up and move on to the next tee.

Dress Code

Men: Collared shirts, pants or hemmed shorts are required.

Ladies: Collared or sleeved shirts, pants, hemmed shorts or capris are required.

No denim or blue jeans are allowed for men or ladies. Soft spiked golf shoes are required.

Scoring Rules and Regulations

The following are the Rules and Regulations governing tournament scoring:

Scoring will be kept throughout the round by a member of each team with the team score sheet returned to the designated Golf Classic score keeper upon completion of the round.

Mulligan Rules and Regulations

The following are the Rules and Regulations governing tournament mulligan use:

Up to eight mulligans per team may be purchased in advance and may be used only during the Golf Classic.

A Mulligan is a "do over" which consist of a putt. A mulligan can only help the golfer, not hurt them.

"The golfer" must notify the scorekeeper before leaving the hole played, that he/she wants to use a mulligan.

The golfer must present his/her mulligan ticket to be allowed to apply a mulligan. After the shooter presents the mulligan, it must be affixed to the golfer's scorecard.

The "putt" indications will be marked on the scorecard.

A golfer cannot apply more than two (2) mulligans per player on the scorecard.
